Providing families with information, advice and specialist services that support children with Special Educational Needs and/or Disabilities.

What are the aims of a Children's Centre?

- **the best start in life for every child**
- **better opportunities for parents**
- **good quality childcare**
- **stronger and safer communities**
- **where there is a child under five we will work holistically with the whole family.**

The Children's Centre programme is based on the concept of providing integrated education, outreach support and health services. These are all key factors in determining good outcomes for children and their families.

Free Early Years Education

Find out how your child can access Free Early Years Education.

Working alongside Barnet Early Years Team, the Children's Centres can also help check eligibility and support you in finding a suitable early years provider.
